Moses and the Sea

Exodus 13:17-14:31

Who's got it?

“Trust in the LORD with all your heart.”

Proverbs 3:5 (NIrV)

God's got it!

Image 1

God's people, the Israelites, were leaving Egypt for a new home.

God sent Moses to lead them, and God showed them the way!

In the daytime, a tall pillar of cloud showed them where to go.

Image 2

At night, God gave them a pillar of fire to light the way.

Wherever God wanted His people to go, He showed them.

God was taking care of them every step.

Image 3

One night they camped next to a big sea.

Then they saw Pharaoh's army coming! They were so scared.

But Moses told them not to worry — God would save them!

Image 4

God told Moses to hold up his walking stick over the water.

A strong wind blew, and God pushed the water back!

God made a dry path right through the middle of the sea.

Image 5

God's people walked through the sea on dry ground!

God is so powerful, and He loves us so much.

We can always trust God to show us the way — because God's got it!

WHAT WE LEARN

God showed His people the way with a pillar of cloud and fire. When they were trapped at the sea, God told Moses to hold up his stick, and God parted the water so they could walk through on dry ground.

For you: When you don't know which way to go, you can trust God to show you. God's got it!
